

Platinum IM-8 Series by BALZER

From specialist for specialists!

Each individual rod is handmade and has only the best of ingredients. The powerful blanks, made of IM-8 carbon fiber are coated in a titanium alloy that lends the rods a unique strength. In addition, each rod has a unique spigot connection, giving optimum action. We have subjected these rods to innumerable tests, as you can tell by the rather unconventional lengths at which the interplay of action, backbone and balance is at its optimum.

To ensure that you will have long-lasting pleasure with it, we supply each rod in a stable/rigid transportation tube.

All the features at a glance:

- IM-8 carbon fiber
- Blanks with titanium coating
- Super-slim, chrome-plated titanium SIC guides
- Special spigot connections with stabilizing metal guides
- Luxury ergonomic reel seat
- Handle made of natural Portuguese cork
- Transportation tube
- 3 year warranty

Blanks with titanium coating.

Super-slim, chrome-plated titanium SIC guides.

Spare rubber rings.

Foldable hook clip.

Precision Nylon-ABS/stainless steel reel seat of perfect reel positioning.

Precision ground spigot joint with stabilising metal ferrule as well as rubber rings for cushioning the put-in connection.

Platinum Sbiro 25

Responsive, lightweight Sbiro rod for anglers who swear by a put-in rod because of its fine action. Elegant version with titanium SIC guides, natural cork handle and luxury reel seat.
